THE VICE PRESIDENT  
WASHINGTON

November 21, 1984

His Excellency  
Salim Ahmed Salim  
Prime Minister of the  
United Republic of Tanzania  
Dar es Salaam

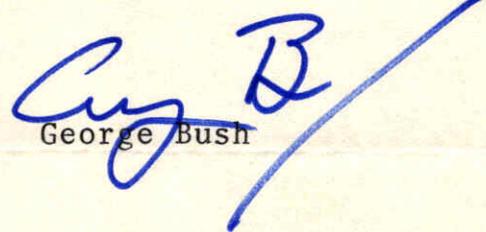

Dear Salim:

Thank you for your kind message of congratulations on the Reagan-Bush election victory. The American people have clearly shown their overwhelming support for President Reagan's foreign and domestic policies, including our respect for the government and people of Tanzania.

I especially appreciate these thoughtful words from a statesman I consider a friend, and I look forward to seeing you soon.

With deep respect and warm regards,

Sincerely,

  
George Bush
